

We are committed to the safety and well-being of our customers, employees and community. We are monitoring the current situation and are taking precautionary steps to reduce the potential of exposure and spread of COVID-19.

In order to do our part in stopping the spread of COVID-19, **we have made the decision to close our lobbies effective Monday, March 23.** This applies to all locations.

All drive-thru's will remain open as per normal drive-thru business hours. All banking services will be available to our customers during this time.

If your needs require additional care, please call into the bank at (409) 735-3516 and our personal bankers and officers will make arrangements to service your needs.

We also encourage you to use our online banking services at [BridgeCityBank.com](https://www.BridgeCityBank.com). If you haven't enrolled in online banking or downloaded our mobile app, you can do so at any time. It only takes a few minutes.

Bridge City Bank is here for this community and all of Southeast Texas. Working together we will get through this challenge.
